

RAFFLE RULES AND PROCEDURES

- All participants in the golf outing (players and volunteers) are eligible to participate.
- Keep your raffle ticket stub(s) as it will contain your raffle number. **The winning ticket must be present to win.** In other words, if you leave early, have a friend claim your prize.
- **There will be SIX different raffles:** Grand Raffle #1 (Golf), Grand Raffle #2 (Wine), Grand Raffle #3 (Liquor), and Grand Raffle #4 (Food/Entertainment), Premium & General. Please deposit your raffle ticket(s) in the corresponding container. You can put as many tickets as you like in each raffle.
- The 4 Grand prize items and Premium items will be raffled off during the program.
- The general raffle tickets will be pulled during golf. Check the prize sheet when you finish golf to see if you won a prize! The prizes will be matched to the ticket drawn.
- There is no limit on the number of prizes you can win.
- For the premium raffle, we will draw a winning number. The person with that number will then select the prize he/she wants. We will draw the next number and again the person with the winning number will select their prize. We will continue in this manner until all prizes are awarded. Remember, the winning ticket must be present!
- The Grand Prizes raffles will be conducted last. Again, winning ticket must be present!
